To: Corvette Owner Friends,

Thank you for being an important part of our Corvette Lovers Community and we at North Coast Vettes (NCV) hope that you and your family are doing well.

The uncertainty created by the Covid-19 virus has resulted in a difficult decision to cancel our 2020 car show "Vettes for Veterans". Your safety and wellbeing along with that of our members, families and guests was paramount in the decision process.

Although we won't be gathering in person for our annual Veterans Day event, we are certain that our mission to support deserving veteran organizations "**Semper Fi Fund**" and the "**Cal Diego Paralyzed Veterans**" remains important.

Because of your support, NCV was honored to donate a total of \$16,000 last year split between the two organizations. While a similar level of funds is unlikely, NCV would still like to generate whatever donations we can to offer some form of assistance to the charities this year. Our basic thought is to ask our Corvette community to donate what would have been the \$35 Car Show registration fee to NCV which in turn will 100% go to the two charities. Obviously, there are competing needs and we understand that some will choose not to donate while others may offer a slightly larger donation. The point being we don't want to just pass on this year's Veteran donation but rather provide whatever we can raise....no pressure.

To make your donation: mail a check made out to North Coast Vettes with memo Veteran's Charities to:

North Coast Vettes, C/O John Boyd
4153 Marcella St.
Oceanside, Ca. 92056

Thank you for your understanding and your support and rest assured that our 2021 show will be the best in our 8-year history. Until then be safe and we hope to see you next year in good health and driving America's #1 Sports Car.... **The Corvette!!!!**
